You can contribute online using either PayPal (accepts debit/credit cards) or Vanco (debit/credit cards and bank ACH transfers). Both platforms support one-time or recurring donations. Links to both can be found at www.standrewsomaha.org/giving/ (or scan this QR code with your phone).

The very best way to give to St. Andrew's is by donating appreciated shares of stock. Not only do you get a deduction for the entire amount of the donation, you don't pay the long-term capital gains taxes on your appreciated shares. The church also pays no fees for stock donations! To obtain the info to make a donation or to discuss further, email church treasurer Eric Rodawig at chipsahoya@gmail.com
